

GENERAL INFORMATION

Located at only 35 minutes by car from Malaga's International Airport and just 5 from the renowned Puerto Banús, the five star hotel, Gran Hotel Gvadalpín, is situated in Andalusia's famous coastal town, Marbella, right in the heart of the "Golden Mile", which is known as the playground of the *rich and famous*.

Its privileged situation, close to Marbella's Congress Palace, on the main road, where the most luxurious and prestigious international boutiques are to be found, at hardly 500m from the Old Town and only 200m from the beach, gives its guests the possibility to enjoy the great variety of amenities on offer in Marbella and all the area around, or just relax in an oasis of tranquillity and beauty found at the Gran Hotel Gvadalpín.

This brand new hotel has been constructed in a modern and innovative style, is distributed along four floors, presided by an spectacular glass front, in which three panoramic elevators glide up and down, and decorated with a symbiosis of both modern and classical influences, in harmony with the surrounding area.

Inside, the visitor will find everything he needs to experience the feeling of being in paradise as well as enjoying this oasis for the senses, in the most privileged area on the Coast, graced with its sub-tropical climate, having an average temperature of 21°C and 320 sunny days all year round.

There are 117 luxurious rooms and suites in the hotel, most of them with jacuzzi and/or sun deck, offering magnificent views over the Mediterranean Sea. Ramón Freixa, the Best Chef de Cuisine Spain 2001, who supervises the kitchen at Aralia Restaurant, with Mediterranean Cuisine, as well as at Mesana Restaurant, specialized in gourmet cuisine, has prepared an a la carte selection sophisticated dishes, a pleasure for the senses come true. Gvadalpín Naturaqua SPA offers a wide variety of sophisticated health and beauty treatments, which, complemented by its Fitness Centre, outdoor heated swimming pool with refreshing Tropical Bar, which delights its guests. Rooms for conferences, seminars, banquets and small meetings with Business Centre Service. Special green fee agreement with a wide number of Golf Courses nearby, sport & adventure activities, excursions... and much more. All of this with luxury and distinction, source of inspiration in the creation of spaces and ambiances filled with charm and class, combined with a truly personal service taking care of every single detail and maintaining the best quality standards, to provide its guest with a unique experience.

ROOMS

Offering the most innovative technologies and tasteful decor, in an atmosphere conducive to relaxation, the 117 guest rooms and suites of the hotel are situated in a U-shaped building facing South. For those who prefer a challenging game of **golf**, the area around Marbella has the highest number of golf courses in Europe with 27 golf courses close to the hotel and a total of 40 along the coast.

The **Golf Department offers** hotel guests special rates on most of these courses as well as the possibility of booking a tee-off time, golf classes and obtaining advice.

Guadalpin Spa

Guadalpin Spa offers a new concept in health and beauty centres, basing its treatments on the benefits of the waters, on marine cosmetic products, on personalized physical exercise and on its professional staff. We offer a fully-equipped Spa covering more than 1,200 m² and a dynamic pool. This is a place which excites the senses, made up of the following areas:

1. An **individual treatment area**: eight **individual treatment booths** with a hydrotherapy bath, booths with beds and a booth with ultraviolet rays.
2. A **waters area**: a **Dynamic pool**, with an area for jet stream swimming and a place set aside for different activities in the water. A **Hydrotherapy circuit** focusing on different areas so as to achieve a full aquatic massage to which **Massage/relaxation beds** have been added. The circuit produces a cascade of water going into the pool and separated from the row of showers by a glass panel.

A **row of showers** with different kinds of hot/cold contrasts next to the jet shower, two Vichy shower booths for all the **fangotherapy** treatments.

3. A **thermal area**: Two **saunas**, one for men and one for women, with a pre-sauna section and cold nebulized showers for contrasts. A mixed **steam hall** with 70% humidity and a temperature of 45°C. A complete thermal area has been planned, playing with the different types of temperature and humidity combinations. Two **hammans**, one for men and one for women, with an inner booth for Turkish massages. 100% humidity. A cold water pool and an icy shower.

4. **Relaxation area**: a large **relaxation area** has been added to the SPA, surrounding the pool and creating a very open and luminous area.

Fitness Center

Our Fitness Center, is located on the first floor of the hotel and offers vast facilities benefiting from natural light in addition to magnificent views. In addition to our large machine room with cardiovascular and multistation machines for working out various muscle groups there is a multi-purpose room for classes or personal training.

Excursions

For those seeking adventure, the hotel can arrange an array of activities in the surrounding area varying from hill-walking, horse back riding in the country, mountain biking, canoeing, routes in 4 wheel track cars, team building activities and day trips to nearby Ronda, Cordoba, Sevilla, Granada, Gibraltar, Northern Africa, etc.

Weather

Due to Marbella's prime location, on the shores of the Mediterranean Sea, protected by Sierra Blanca to the North, the region has an incredible micro-climate resulting in more than 320 days of sunshine with an average temperature of 21°C (70°F).
